Make Your Money Do More for You!

Services We Provide

Financial Consultation

We offer a free consultation to evaluate your financial situation. We take time to learn about you. We then craft and implement solutions to help you achieve your financial goals. But it doesn't stop there. Our clients are welcome to meet with us any time to review their current situation.

Portfolio Construction & Management

We construct a portfolio based on your current situation and the goals you're trying to meet. Planning is a process. That's why we encourage regular reviews of your portfolio.

Life, Disability & Long-Term Care Insurance Planning

We work with many insurance companies and can provide you with the right information based on your insurance needs. Ask us for a free quote.

Investment Research & Analysis

We invest in a wide array of tools to use when it comes to researching your current and future investments. Please feel free to request a sample.

Educational Seminars

We strongly believe in the value of financial education in an ever-changing world. We conduct seminars on various topics ranging from college savings to retirement income. Please let us know if you have an interest in a particular topic.

Employer-Sponsored Retirement Plan Analysis for Business Owners & Managers

We analyze the current plan offered to your employees and provide objective feedback. If areas need improvement, we'll recommend a course of action. We also assist in the implementation of plans that meet your business needs.

The Value of Partnership

At Members 1st Investment Services, we know that no two clients are exactly alike or share the exact same goals. That's why, when it comes to helping you attain your financial goals, our financial advisor gets to know you, your plans, hopes, worries and needs before attempting to offer a strategy.

Once your unique circumstances and current assets have been thoroughly evaluated, our financial advisor will make recommendations designed to help you achieve your objectives. We take the time necessary to make a difference for you, your family and your future. We want to learn about you and your financial goals.
