I understand that by returning this coupon to Members 1st Credit Union, I will be eligible to skip my November or December loan payment(s) normally due on the above loan(s). I also understand that interest will continue to accrue on my outstanding loan balance during this time and the term of my loan(s) may be extended. I understand if I fail to return this coupon before the due date of the month I am requesting to skip or if I have not paid the 10% of the payment amount up to \$50 fee by that date, my normal loan payment(s) will need to be made on their scheduled due date. Should this occur and funds are not available to complete my normal loan payment(s), I may be subject to late fees as outlined in my loan agreement. Mortgages, home equity loans, lines of credit and loans that are past due are excluded from this offer. I understand that my loan(s) must be current and paid on time to be eligible for this offer.

*The skip-a-payment program is available to members with loans in good standing, paid through the month prior to the month being requested to skip and with no special deferments in the past year. 'Good standing' is defined as never more than 30 days past due in the past 12 months, and insurance is in place for loans secured by collateral with Me1stCU listed as loss payee. Skip-a-payment does not change your monthly payment; however, it does extend the loan's term by one month. It is not available for first mortgages, home equity loans, lines of credit, vehicle loans without current proof of insurance or loans with bankruptcy flags. GAP insurance may not cover skipped payments, and the missed payments may be deducted from the amount you will receive if you file a claim. Other restrictions may apply. Contact Me1stCU for complete details.
