## Make a Difference in July and August

This summer, we are proud to support our community by collecting donations for Brenden's Friday Backpacks. This amazing organization helps provide weekend meals for children who may not have enough to eat while school is out.

From July through August, you can help make a difference by contributing items or funds. Donations can be dropped off at our Festus and Mattis [branches](#). Every contribution helps ensure that local kids have the food they need and can enjoy their weekends without worry.

## Keep Your Summer Finances on Track

Summer is here, now is a great time to review your spending and set goals for the season. Take a moment to track your expenses, plan for vacations or back to school needs, and find ways to save without missing out on the fun. Consider setting aside a little each week or opening a dedicated savings account just for summer expenses.

Whether you are organizing your budget on your own or using financial tools to help, staying prepared reduces stress and helps you make the most of your money this season. Proper planning now can keep your finances on track and make your summer more enjoyable.
